Leasue and Jake,

On October 31, 2016, Ameren Missouri submitted a permit modification package for the Labadie Energy Center. The package contains a CD with all of the thermal modeling report and appendices. Attached please find the following:

- Application cover letter
- Form A
- Application fees
- FLOW-3D presentation

Please contact me if you would like a CD with the thermal modeling report and appendices as it is too large for me to email directly to you.
